

RESORT WINERY

Please find following some information on Picnic locations at the Silver Rose. Below are descriptions and idea of how most picnics are performed here. Of course there are many variations and this is only some of the more popular venues.

In Amongst the Estate Vineyards

- ✧ Table with linens are set in the Estate Vineyards with several locations to choose from. Your views consist of the surrounding mountains and vineyards. Depending on the decorations this setting can be quite elegant or very casual.

At the Inn on the Knoll

- ✧ The deck around the pool at the Inn on the Knoll is a beautiful spot. Several small waterfalls, large Oak trees offer some shading with a lush backdrop along with Vineyard and Mountain views of the Napa Valley.

Surrounded by Wine Barrels

- ✧ Our most popular location is held in the Winery, surrounded by barrels and candles - a truly warm and intimate atmosphere. This is also a great alternative should the weather turn bad. Combine this with a reception in the Tasting Room with passed Hors d'oeuvres and you have a complete party.

At the Vineyard Event Center

- ✧ This facility with its floor to ceiling fireplace can transformed to look just the way you want. This site also offers it's own water garden and views of our chip and putting green as well as vineyards.

The Inn the Vineyard Facility

- ✧ The large great room with its 30-foot tall stone fireplace and the adjoining patio. This location offers both an indoor and outdoor setting amongst beautiful architecture and gardens. This area can be decorated to offer warm and elegant atmosphere or it can be made very casual.

If appropriate once a menu is chosen we will pair one of our wines with each course of your meal. Buffets are always very popular and can be very formal to very casual. Perhaps a specially designed Hors d'oeuvres stations that match a specific wine with those Hors d'oeuvres.

Add our special barrel tasting and tour to make your event a truly unique memorable one.

When your group rents all 20-guest rooms you have access to all the great settings we have created and the hosting all types of parties and get together's can be organized.
