

RESORT WINERY

Please find following some information for your upcoming wedding. Below are descriptions and idea of how most weddings are performed at the Silver Rose. Of course there are many variations and this is only some of the more popular venues.

Ceremonies are held in the Vineyards with several locations to choose from. A white runner down the center isle leading to a flower covered Arch, surrounding vineyards and mountains, as the backdrop is a very dramatic setting.

The Gazebo in the Rose Garden at the Inn on the knoll is a beautiful spot for a ceremony. Several small waterfalls, Large Oak trees offer some shading with a lush backdrop followed by Vineyard and Mountain views. This spot has been performing wedding for almost 20 years.

Our most popular ceremony location is held in the Winery, surrounded by barrels and candles - a truly warm and intimate atmosphere. This is also a great alternative should the weather turn bad.

After the ceremony the Bridal party and guests will move into the Tasting Room where toasting is celebrated with Champagne and passed Hors d'oeuvres.

Dinner is served in the wineries "Dentelle Barrel Room", a beautiful candlelit room with 5 tables of up to 10 people. Fresh flowers, candelabras with additional candlelight in between the surrounding barrels will give you that elegant and romantic atmosphere you are looking for. Once a menu is chosen we will pair one of our wines with each course.

The cake cutting is the grand finale of dinner.

We can also Host a rehearsal dinner in the Vineyard Event Center for you the night of the rehearsal. This facility can also be used for any type of meal event like a brunch. There is a host of wonderful restaurants locally less than one mile away.

When your group rents all 20-guest rooms you have access to all the great settings we have created and the hosting all types of parties and get togethers can be organized.

We can included estimated prices for Music, Minister, Flowers, Linen upgrade, rentals of the out door Arch and Runner, Photographer and Makeup. Makeup artists we recommend specialize in Weddings and also do hair "Up Do's". Traveling fees are required if they are to perform services at the Silver Rose.

We recommend renting special white linen that have a grape & leaf pattern that is beautiful. How ever specially colored linens can be organized to match your dresses and or floral arrangements at a relatively low cost.

I am happy to organize all of this for you and look forward to the opportunity of meeting you should you decide to proceed or wish to tour our property. Please note that some of the prices in the miscellaneous section are an estimate only and may vary depending what type of flowers you choose etc. Thank you for your inquiry and I look forward to speaking with you soon.
